

**Connecticut Conservation Education/Firearms Safety Program**  
**COVID-19 Modified Firearms Hunter Education Track:**  
**Firearms Hunting Certificate Instructions and Checklist**

Students must complete and submit the following online prerequisites prior to registering for a modified field day event. Those who have not completed these prerequisites will not be allowed to attend the field day.

**Online Prerequisites:**

- ☐ Complete Online [NRA Hunter Education Course](#) (Free of charge) **or** [HunterEdCourse.com Training \(\\$19.99\)](#) submits certificate to [DEEP.huntereducation@ct.gov](mailto:DEEP.huntereducation@ct.gov). **Submissions must include student's first and last name and conservation ID number in the subject line, those that do not will not be accepted.**
- ☐ View [COVID-19 Firearms Hunting Certification Track: Hunting Laws and Ethics Presentation](#).
- ☐ Watch [treestand safety training video](#).
- ☐ Review [Control and Actions of Hunters](#) (500' Rule) and [complete online exam](#).
- ☐ Register using Conservation ID for a Modified Firearms Hunting Field Day using the [CT Hunter Education Registration System](#).

**What to bring to your Modified Firearms Hunting Field Day:**

- ☐ Mask (must cover both nose and face completely)
- ☐ Hand sanitizer
- ☐ Pen or pencil
- ☐ Mobile device with data
- ☐ Eye and Ear protection
- ☐ Chair (folding, sports or camping) for use when taking test.

Students will not be allowed to participate if they do not bring and wear proper PPE throughout the entire event. The Modified Firearms field day will consist of field exercises including live fire. All firearms will be provided by the program, student firearms and/or ammunition will not be permitted. The field day will include a proctored exam and will be approximately 3 hours.
